

# SAS Winter Sports Program

This year SAS is offering an exciting and fun opportunity to develop life-long skills in physical fitness through our Winter Sports Program.

## Option 1 – Available to 2\*-8 grade students

### Mt. Hood Meadows Ski/Snowboard Program

This is a 4-week program beginning on January 13<sup>th</sup> and running every Wednesday until February 3<sup>rd</sup>. If a make-up is required because of weather cancellation it would take place on February 10<sup>th</sup>. Each student will receive a lift ticket, rentals and 2-hour lesson. You will also receive a bonus lift/rental/lesson pass to be used by your student any midweek day through the end of the season. This year there will be a charter school bus with a certified driver to take all of the students up and down the mountain together. The bus will leave the school by 7 am and return at approximately 6 pm each day.

The cost of the program this year will be \$340 per student, of which \$250 is direct payment to Mt. Hood Meadows for the ski package and \$90 is to cover the cost of the bus and supplemental insurance. Through our fundraising efforts we are hoping to cover the \$90 cost for each student participating and would then leave the total balance for every student at \$250 (lift/rental/lesson) or \$190 (lift/lesson).

\*2<sup>nd</sup> grade students will be allowed to participate if they have a parent/guardian present at all times on the mountain. Please speak with Mr. Peinado or Mrs. Mowrey for full details.

## Option 2 – Available to K-8 grade students

### Ice Skating at Lloyd Center Rink

This will be a 4-week program to coincide with the Ski/Snowboard program. Students participating in this portion of the program will be required to be at school during normal hours. This program will include a ½ hour lesson and ½ hour free skate including all equipment. Students will return to normal class schedules in the afternoon until dismissal. Teachers and Parent volunteers will be needed for the transportation to and from these events.

The cost for this year's Ice Skating program will be \$45 per student.

**Attached you will find the registration form. Please fill out your form and return it to the school no later than December 15<sup>th</sup>. If you would like to switch to a different program, please stop by the office or visit the website, [www.sasonline.org](http://www.sasonline.org), for alternate registration information.**
